

IDFL Traceability Verification Report

IDFL Project No. 005850

IDFL has successfully and independently completed a supply chain traceability audit for the above-mentioned client, and found them and the specific products (as provided below) in accordance with the standard above

IDFL Audit Number: 21-349230

Report Issue Date: 15 November 2021

Valid Until: 15 November 2022

Company Name: [REDACTED]

Address: [REDACTED]

Contact Name: [REDACTED]

Contact Information: [REDACTED]

The following products have been verified under this audit scope:

Product Name	Description	
White Goose Down and Feather (WGD)	Polnischer weisser Gänserupf	
White Goose Down and Feather (WGD)	Österreichische Weidegans	

IDFL declares to have completed an inspection and audit of all relevant documentation pertaining to the traceability for the products specified in this certificate. The documentation verified for traceability includes purchase orders, invoices, packing lists, transportation documentation including CMR's, production records, certificates of origin, veterinarian certificates, and slaughterhouse information.

IDFL can confirm based on documentation that the certified materials are sourced from dead birds processed at known slaughterhouses.
